Anything for Salinas

A Tribute To Selena

About

Anything for Salinas is a Selena tribute band based around vocalist Karol Posadas and her family. Born in Guatemala and raised in the San Fernando Valley, Karol has been a singer and songwriter for 12 years and has spent the past 3 years portraying Selena with multiple tribute bands.

She now performs with her family band, led by her brother Giovanni Fuentes as director of Anything for Salinas Band. The group was assembled by Karol's family members and centers its performances on music dedicated to the late Queen of Tex-Mex.

Karol has dedicated countless hours and days to refining her portrayal of Selena. For buyers, the setup is clear: a family-led Selena tribute built around an established vocalist with tribute experience and a lineup closely connected to the project.
